Heart Weakness

The action of the heart depends upon the heart nerves Panama Appropriation and muscles. When from any cause they become weak or exhausted, and fail to furnish sufficient power, the heart flutters, palpitates, skips beats; and in its effort to keep up its work, causes pain and distress, such as smothering spells, short breath, fainting, pain around heart, arm and shoul-ders. The circulation is impeded, and the entire system suffers from lack of nourish-

Dr. Miles' Heart Cure makes a heart strong and vigorous by strengthening these nerves and

"I had paintiation and pain around my heart, and the doctors said it was incurable. I don't believe it now for after taking six bottles of br. Miles' heart Cure, three Bottles of the Nervin and three boxes of the Nerve and Liver Pills I am entirely cured, and feel better than I have for five years, and it is all due to these remedies. I want you to know that your medicines cured mo. It relieved me from the first dose, and I kept right on till the pain in my chest was gone, and I kept on feeling better even after I quittaking it." The steamer left Burlington on time
Saturday morning with about 50 passengers, General Manager Loomis also made the trip. Friday the steamer encountered four inches of ice in Plattsburg Bay and it was expected that considerably more than that would be found as the cold weather continued, out no difficulty was anticipated in making the port. Stops were also made at Port Kent and Gordon's on both trips. The day's trip was greatly enjoyed by the passengers, who viewed the fairyike appearance of the landscape until
